Wanda has a passion for ministry to and for women and girls and loves proclaiming the gospel through Women's Ministry Groups, Community Bible Studies, Drug Rehab Homes for Women, Children's Home Ministries and anyone who is willing to hear of the saving grace of our Lord and Savior.

It has been her privilege to serve the women in the State of Missouri through the Missouri Baptist Convention as their Women's Ministry Consultant since 2010. Prior to that she served for 15 years as Women's and Girl's Ministry Director for FBC of Carl Junction, MO and as the Southwest Regional Leader for the Mo. Baptist Convention.

While being a very passionate teacher of the Word of God, women have also found her stories that come from doing ministry and her insight into the Word to be engaging, entertaining and convicting!

Wanda and her husband Kent have two married daughters and 4 grandchildren. They are members at Forest Park Baptist Church in Joplin, MO.
