Since 1886, Missouri Baptist Children's Home has responded to the needs of hurting children and youth.

124 years ago the need was for an orphanage for abandoned and orphaned infants. More than a century has passed and orphanages are no longer needed. Today, our most critical concern is the disintegration of the family. Child abuse, abandonment, behavioral problems, and emotional disturbances bring hundreds of children to MBCH each year.

The current scope of services include: long-term residential care for children ages 6-18, Pregnancy Counseling and Supportive Services, Transitional Living Program for youth 16-21, and foster/adoptive placements. The goal of each of these programs is to meet the changing needs of society's children, youth, and families.

Our staff is composed of caring Christians with professional expertise, who are deeply concerned about helping those who come to us. Acceptance, support, and encouragement are the things we try to share with the children and youth in our care. We strive to show hurting children and their families the love of God in a very real and tangible way.

With locations in Branson, Bridgeton, Jefferson City, Joplin, Lee's Summit,

Mt. Vernon, Peculiar, Southeast Missouri and Springfield, MBCH is privileged to serve children and their families across the state.

Missouri Baptist Children's Home is a non-profit, 501c3 organization. We are an accredited agency offering our services to anyone regardless of race, color, national origin, religion, age, sex, handicap, or income.

Norwoods Golf Club opened for business in the spring of 1996. Norwoods is an 18 hole, par 72 layout designed and built by Tracy and Brian Scott along with their father Cecil (Norwoods) Scott. The golf course rests on 160 acres and was built in two stages. Nine holes were built in 1995 and opened in May of 1996.

Nine holes were added the following year making Norwoods Hannibal's only 18 hole facility.

The tees and fairways are bluegrass and rye, and the greens are bent-grass. The tees, fairways, and greens are all irrigated from a 13 acre lake that runs the length of the par 5, 18th hole. Norwoods offers 4 sets of tees ranging from 4779 yards and stretching to 6629 yards. With a centrally located clubhouse (which consists of a stocked pro shop and concession stand), 300 yard driving range, and a well maintained fleet of 60 golf cars, we feel Norwoods Golf Club meets all the needs for an enjoyable round of golf.

Directions:

52651 Norwoods Place. Located southwest of Hannibal off Route MM
