MISSOURI BAPTIST CHILDREN'S HOME

Since 1886, Missouri Baptist Children's Home has responded to the needs of hurting children and youth. 130 years ago the need was for an orphanage for abandoned and orphaned infants. Today our most critical concern is the disintegration of the family. Child abuse, abandonment, behavioral problems and emotional disturbances bring hundreds of children to MBCH each year.

The current scope of services includes: Therapeutic Group Homes for children ages 6-18, Pregnancy Counseling Services, Maternity Homes, Transitional Living Program for youth ages 16-21, Intensive Family Reunification Services, Family Resource Development, Foster/Adoptive Placements and a Safe Home for Victims of Human Trafficking. The goal of each of these programs is to meet the changing needs of society's children, youth and families.

Our staff is composed of caring Christians with professional expertise, who are deeply concerned about helping those who come to us. Acceptance, support and encouragement are the things we try to share with the children and youth in our care. We strive to show hurting children and their families the love of God in a very real and tangible way.

With locations in Bridgeton, Jefferson City, Joplin, Kansas City, Mt. Vernon, Peculiar, Southeast Missouri and Springfield, MBCH is privileged to serve children and their families across the state.

Missouri Baptist Children's Home is a non-profit, 501c3 organization. We are an accredited agency offering our services to anyone regardless of race, color, national origin, religion, age, sex, handicap or income.
