ARE YOU OR YOUR CHURCH LOOKING FOR A SUMMER MISSION OPPORTUNITY?

**MBCH Children and Family Ministries Annual Summer “CaMp18five”
Baptist Hill Camp, Mt. Vernon, Missouri July 30- August 3, 2018**

Approximately 70 campers, all school aged children and youth living at our residential campuses and in treatment foster homes, will be attending this year’s camp. For most it will be their first camp experience. Most campers have experienced some form of trauma; however, we know that positive relationships with adults help our campers heal these past hurts. Camp is a unique experience for our campers and many of them have been led to Christ during the CaMp18five week.

*Consider being part of an event that is truly life changing-for the campers **and** for you!*

We are in need of the following volunteer positions:

Cabin Leaders , to work with and remain overnight with a maximum of 3 campers	Night Watch Staff , to help with awake overnight monitoring
Media Team – Take pictures/video for daily videos, run worship PowerPoint two times a day.	Bible Study Leaders- To teach from the “Game On” VBS curriculum.
Recreation Helpers , to work with basketball, volleyball, etc.	Floaters – daytime help to assist where needed

All volunteers must meet the following requirements:

- Be at least 21 years of age except for day volunteers working with adults
- Pass MBCH background checks to include criminal and child/sexual abuse records
- Positive pastoral reference from current place of worship
- Agree to sign a confidentiality document limiting the disclosure of certain information about our campers
- Complete training/orientation prior to camp

MBCHCFM staff members who work with the children will be present at all times with volunteers
