The Faith Statement of the LIGHT House

- We believe in one God, expressed in three persons: God the Father, God the Son, God the Holy Spirit.
- We believe that the Bible is God's written revelation to man and that is verbally inspired, authoritative, and without errors in the original manuscripts.
- We believe that each person, born, and unborn, is created in the image of God with purpose and value ; therefore each person is sacred in His eyes and called to salvation and eternal life by the grace of God though the death and resurrection of Jesus Christ.
- We believe that we are to share the message of God's love and the good news about His son Jesus Christ with women and their families in crisis pregnancies through our maternity home, educational programs, adoption agency, and our outreach programs.
- We believe that God has called us to bless and encourage these families and that our efforts, with God's help, will enable our clients to be effective parents, spouses, and members of society.
