Norwoods Golf Club opened for business in the spring of 1996. Norwoods is an 18 hole, par 72 layout designed and built by Tracy and Brian Scott along with their father Cecil (Norwoods) Scott. The golf course rests on 160 acres and was built in two stages. Nine holes were built in 1995 and opened in May of 1996. Nine holes were added the following year making Norwoods Hannibal's only 18 hole facility.
