

Quilt and Craft Donations

The Ozarks Berry Festival Task Force has been in prayer seeking God's guidance for our upcoming Festival. We have also been praying for each of our faithful "Partners," asking God to continue to bless you with the health, skills, and ability to continue making craft items and quilts with the quality and love that can't be found in mass-produced products. We realize that you have a "heart" for children, and we hope that you are planning to partner with us again this year. Whether you are working on a beautiful quilt, or a unique craft project, or plan to deliver a delicious berry or fruit cobbler, we look forward to your donation in support of the children at the Missouri Baptist Children's Home.

A "**Quilt Donation Form**" or a "**Craft Donation Form**" must accompany ALL donations at the time of delivery. Our attendants will help you carry your items into the building, and assist in the completion of the appropriate forms. In order to effectively communicate with you, please make sure that your mailing address is up to date. Let us know if we may text you at your current phone number. By adding your email address, we can also save on postage costs.

Receipt of your donated items is very important to us. Summertime seems to be a busy time for everyone. In addition to their usual activities, Macedonia Baptist Church also adds VBS, mission trips, youth camps, vacations, and other activities to the church calendar. In the past, we have scheduled a one week time period (during usual business hours) to accept delivery of quilts and craft items from our donors. **Here's our new plan for 2024!!!**
