The Training Clinic is for both seasoned and new Women's Ministry Directors, leaders and teams. In our time together we will address and discuss the essentials for Women's Ministry which include the following:

- Where and how to start with purpose (in existing or new ministry)
- Developing the team
- Developing the heart of ministry to women
- Connecting the generations
- Communication development
- Purpose and intentionality of events
- Wisdom for messy ministry seasons
- Outreach ministry ideas
- Practical tools of ministry
- Assessing where you are and the ministry impact
- Resources and much, much more

This is an all new structure for this Training Clinic designed to give you the invaluable tools and resources you need.
